Invitation to Worship Eric Gottheld  
As we gather to worship, God's love for all humankind unites us as one family and one nation on this planet.  
Let us keep faith with God, as we listen to the prelude.

Prelude Pam Jacobs

\*Invocation Eric Gottheld

\*Call to Worship

One: Come to the source of all truth, to the author of life

**All: We dare to approach our Creator in humility and thanksgiving.**

One: God calls us away from worship of things, from idols that block our view of God.

**All: God is unknown to us only when we have shut off the contact.**

One: In Christ, God comes to us again, saying, "I will not leave you desolate."

**All: We need the Counselor who will listen to us, who will hear our evil and not turn away.**

One: Let us open our lives to the Spirit of Truth, as we seek new life in Christ.
