Invitation to Worship

Sandy Stein

“O beautiful for spacious skies, for amber waves of grain” these are the opening words from the hymn “*America, the Beautiful*” written by Katherine Bates. We come to thank God for bright summer skies, crops growing to feed the world and His countless other gifts. In the name of the God of creation, Jesus our Savior and the Holy Spirit who guides our ways, welcome to worship.

***Responsive Call to Worship:**

One: Gather with the crowds who seek to touch Jesus; come to hear and be healed.

All: We are poor and hungry; in need of food for our souls.

One: Cursed are those who put their trust in human beings.

All: Blessed are those who put their trust in God and find their hope in Christ Jesus.
