<b>Invitation to Worship</b>		Judy Means
As God's people, we have gathered. We may be discouraged, dismayed, or discordant with life. Let us sit together and allow the peace of God's presence here with us today wrap us in a blanket of God's love and assurance. Let us be comforted, quieted and strengthened before Almighty God. Let us worship Jesus, the lover of our souls our Lord and King.

<b>*Responsive Call to Worship:</b>		Judy Means
One: Come once more to learn of our God, whose testimonies are righteous and faithful.		
<b>All: We are gathered to hear what God would say to us, to catch the vision God places before us.</b>		
One: Turn away from those who teach what you want to hear and listen instead for the truth of God.		
<b>All: We turn to the scriptures God inspired, that we may be equipped for every good work.</b>		
One: Be persistent in your quest for God's precepts and in your cries for help when God seems silent.		
<b>All: We seek to live by faith and hope, and to fulfill the ministry to which God calls us.</b>
