Invitation to Worship

Jeff Diamond

As we gather to worship Almighty God Who is Light and Love; may we be reminded that we used to be in darkness, but since we have become the Lord's people, we are now in the Light. And so, we must live like people who belong to the Light. Let us walk in the ways of the Lord and bring honor and glory to His Holy Name. Let us ponder these thoughts as we listen to the prelude.

Prelude

Pam Jacobs

***Responsive Call to Worship:**

One: Always, and for everything, give thanks. Make melody to God with your whole heart.

All: We rejoice in the gift of God's spirit as we go out to walk life's pathways.

One: Look carefully where you walk and make wise use of your time.

All: We look to Christ to deliver us from foolishness and write a new melody on our hearts.

One: The Living God calls us to serve, assuring us that we will find life.

All: Day by day, we will feed on God's work and moment by moment, follow in Christ's ways.

Amen.
