Invitation to Worship

Kayla Wilson

As we gather to worship, may we remember God promises to be with us, to redirect our ways, to grant us peace. We are forgiven. We are loved.

May the God of love and peace abide with us as we listen to the prelude.

*Call to Worship

One: God's Spirit is moving through our gathering, creating and recreating, judging and empowering.

All: Let God's light break forth to illumine us and the shadows be dispelled.

One: The earth brings forth life-giving food, and our need for nourishment is supplied.

All: We give thanks for the sustenance God provides and seek to share it with all humankind.

One: God grants us dominion over the planet's resources and calls us to be stewards of the earth.

All: We seek insight and willpower to use God's gifts with prudence and imagination.

One: God pronounces all creation good and joins us for a day of renewal.

All: We rejoice in our sabbath opportunities as we celebrate this resurrection day.
